Open Source In The European Legislative Landscape

Ground rules

Make Space Take Space
If you tend to talk more we invite you to make space for others to share. If you tend not to share, we invite you to speak up.

Attribution
When taking the mic for questions or contribution please first identify yourself and also your organisation if relevant.

Forward Motion
Focus on what's possible from this moment.
We'll note obstacles for return for future consideration and discussion..

Solution Seeking
This work is complex.
Be open to and bring new ideas, options, proposals.

One Mic, One Speaker
Allow one person to speak at a time

Be respectful and have fun
Observe the FOSDEM Code of Conduct.

European Commission
